Dear Sir/Madam

1. INTRODUCTION

- 1.1 Reference is made to the Notice of the 2020 AGM convening the 2020 AGM.
- 1.2 Ordinary Resolution 9 in the Notice of the 2020 AGM relates to Shareholders' approval for the proposed renewal of the Share Purchase Mandate.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Background

The Companies Act allows a company incorporated in Singapore to purchase or otherwise acquire its issued shares, stocks and preference shares if the purchase or acquisition is permitted under the constitution of the company. Any purchase of Shares by our Company will have to be made in accordance with, and in the manner prescribed by the Companies Act, our Constitution and the rules of the Listing Manual and such other laws and regulations as may, for the time being, be applicable.

It is a requirement that a company which wishes to purchase or acquire its own shares should obtain the approval of its shareholders to do so at a general meeting of the shareholders. The Shareholders had previously approved a share purchase mandate at the 2016 EGM authorising the Directors to purchase or otherwise acquire issued Shares on the terms of the share purchase mandate, details of which were set out in the Company's circular to the Shareholders dated 7 April 2016. The share purchase mandate was renewed at the 2017 AGM, the 2018 AGM, and the 2019 AGM. The authority conferred under the share purchase mandate will expire at the forthcoming AGM unless renewed by the Shareholders. Accordingly, the Directors propose to seek the approval of the Shareholders for the renewal of the share purchase mandate at the 2020 AGM.

LETTER TO SHAREHOLDERS

2.2 Rationale for the Share Purchase Mandate

The Share Purchase Mandate will give the Board the flexibility to purchase Shares when the circumstances are deemed appropriate. The Board believes that Share Purchases provide the Company and the Board with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirements, in an expedient and cost-efficient manner. It also allows the Board to exercise greater control over the Company's share capital structure, dividend payout and cash reserves.

Depending on market conditions and available funding arrangements at the time, Share Purchases may lead to an enhancement of the EPS and/or NAV per Share. Share Purchase will only be made when the Board believes that such purchases would benefit the Company and the Shareholders.

2.3 Terms of the Share Purchase Mandate

The authority and limitations placed on the purchase or acquisition of Shares by the Company under the Share Purchase Mandate, if renewed at the 2020 AGM, are substantially the same as the mandate previously approved by Shareholders at the 2016 EGM and renewed at the 2017 AGM, the 2018 AGM, and the 2019 AGM. The authority and limitations on the Share Purchase Mandate, including the information required under Rule 883(1) of the Listing Manual, are summarised below.

2.3.1 Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

In accordance with Rule 882 of the Listing Manual, the total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate shall not exceed ten per cent (10%) of the issued ordinary share capital of the Company as at the date on which the resolution authorising the renewal of the Share Purchase Mandate is passed ("**Maximum Limit**"), unless the Company has effected a cancellation of Shares pursuant to a reduction of its issued share capital, in accordance with the applicable provisions of the Companies Act, at any time during the relevant period, in which event the total number of Shares of the Company shall be taken to be the total number of Shares as so altered. Shares held by the Company as treasury shares and subsidiary holdings shall be disregarded for purposes of computing the Maximum Limit.

Whilst the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the full 10% threshold, it should be noted that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out up to the full 10% limit as authorised or at all and that no purchases or acquisitions of Shares will be made in circumstances which would or may have a material adverse effect on the financial position of the Company.

For illustration purposes only, based on 48,690,900 Shares, being the total number of Shares as at the Latest Practicable Date (excluding treasury shares and subsidiary holdings), and assuming that no further Shares are issued on or prior to the 2020 AGM, not more than 4,869,090 Shares (representing 10% of the issued share capital of the Company disregarding treasury shares and subsidiary holdings) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

2.3.2 Duration of authority

The authority conferred on the Directors pursuant to the Share Purchase Mandate proposed to be renewed, unless varied or revoked by the Company in a general meeting, may be exercised by the Directors at any time and from time to time during the “**Relevant Period**”, which is the period commencing from the passing of the aforesaid Share Purchase Mandate and expiring on the earliest of:

- (i) the conclusion of the next AGM or the date by which such AGM is required by law to be held;
- (ii) the date on which the purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate are carried out to the full extent mandated; or
- (iii) the date on which the authority contained in the Share Purchase Mandate is varied or revoked by ordinary resolution of the Company in general meeting.

2.3.3 Manner of purchases or acquisitions of Shares

Purchases or acquisitions of Shares may be by way of the following:

- (i) a market purchase, transacted on the SGX-ST through the ready market or the special trading counter on the SGX-ST trading system, through one or more duly licensed stock brokers appointed by the Company for the purpose (“**Market Purchase**”); and/or
- (ii) an off-market purchase effected pursuant to an equal access scheme (“**Off-Market Purchase**”) in accordance with Section 76C of the Companies Act.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Listing Manual and the Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An Off-Market Purchase must, however, satisfy all the following conditions:

- (i) offers for the Share Purchase shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
- (iii) the terms of all the offers shall be the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers relate to Shares with different accrued dividend entitlements; (2) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

LETTER TO SHAREHOLDERS

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company shall, as required by Rule 885 of the Listing Manual in accordance with an equal access scheme as defined in Section 76C of the Companies Act, issue an offer document to all Shareholders. The offer document shall contain, *inter alia*, the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Share Purchases;
- (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or any other applicable take-over rules;
- (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (vi) details of any Share Purchase made by the Company in the previous twelve (12) months, whether through Market Purchases or Off-Market Purchases, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such purchases of Shares, where relevant, and the total consideration paid for such purchases; and
- (vii) whether the shares purchased by the Company will be cancelled or kept as treasury shares.

2.3.4 Purchase price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for the Shares will be determined by the Directors. The purchase price to be paid for the Shares as determined by the Directors must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below) of the Shares; and
- (ii) in the case of an Off-Market Purchase, 110% of the Average Closing Price of the Shares,

in each case, excluding related expenses of the purchase or acquisition ("**Maximum Price**").

For the above purposes:

"**Average Closing Price**" means the average of the Closing Market Prices of the Shares over the last five (5) Market Days on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporate action that occurs during the relevant five-day period and the day on which the purchases are made;

LETTER TO SHAREHOLDERS

“**Closing Market Price**” means the last dealt price for a Share transacted through the SGX-ST’s Central Limit Order Book trading system as shown in any publication of the SGX-ST or other sources; and

“**date of the making of the offer**” means the date on which the Company makes an offer for the purchase or acquisition of Shares from holders of Shares, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of Purchased Shares

A Share when purchased or acquired by the Company is treated as cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase), unless such Shares are held by the Company as treasury shares. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

2.5 Treasury Shares

Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

2.5.1 Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

2.5.2 Voting and Other Rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividends may be paid, and no other distribution of the Company’s assets may be made to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. A subdivision or consolidation of any treasury shares into treasury shares of smaller amount is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

Under Rule 704(28) of the Listing Manual, the Company must immediately announce any sale, transfer, cancellation and/or use of treasury shares held by it and state the following:–

- (i) date of the sale, transfer, cancellation and/or use;
- (ii) purpose of such sale, transfer, cancellation and/or use;

LETTER TO SHAREHOLDERS

- (iii) number of treasury shares sold, transferred, cancelled and/or used;
- (iv) number of treasury shares before and after such sale, transfer, cancellation and/or use;
- (v) percentage of the number of treasury shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use; and
- (vi) value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Disposal and Cancellation

Shares which are purchased or acquired by the Company may be cancelled or held by the Company as treasury shares. All cancelled shares will automatically be delisted by the SGX-ST. If cancelled, all rights and privileges attached to that Share shall expire on cancellation and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase.

Where purchased Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares for cash;
- (ii) transfer the treasury shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iii) cancel the treasury shares; or
- (iv) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance of Singapore.

2.7 Source of Funds

The Company may use internal resources and/or external borrowings to finance the Company's purchase or acquisition of its Shares pursuant to the Share Purchase Mandate. The Directors do not propose to exercise the Share Purchase Mandate to such an extent that it would materially affect the working capital requirements or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

When Shares are purchased or acquired, and cancelled:

- (a) if the Shares are purchased or acquired entirely out of the capital of the Company, the Company shall reduce the amount of its share capital by the total amount of the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, applicable goods and services tax, clearance fees and other related expenses) ("**Purchase Price**");

LETTER TO SHAREHOLDERS

- (b) if the Shares are purchased or acquired entirely out of profits of the Company, the Company shall reduce the amount of its profits by the total amount of the Purchase Price; or
- (c) where the Shares are purchased or acquired out of both the capital and the profits of the Company, the Company shall reduce the amount of its share capital and profits proportionately by the total amount of the Purchase Price.

2.8 Solvency Test

Under the Companies Act, the Company may not enter into any share buy-back transaction unless it is solvent. Pursuant to the Companies Act, a company is solvent if:–

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the company within the period of 12 months immediately after the date of the purchase or acquisition, the company will be able to pay its debts in full within the period of 12 months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of 12 months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition, become less than the value of its liabilities (including contingent liabilities).

2.9 Financial Effects

The financial effects arising from a purchase or acquisition of Shares pursuant to the Share Purchase Mandate on the Group and the Company will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired, the consideration paid for such Shares and whether the Shares purchased or acquired are held in treasury or cancelled. Some of these factors are discussed below.

2.9.1 Number of Shares Acquired or Purchased

For illustration purposes only, based on 48,690,900 Shares, being the total number of Shares as at the Latest Practicable Date (excluding treasury shares and subsidiary holdings), and assuming that no further Shares are issued on or prior to the 2020 AGM, not more than 4,869,090 Shares (representing 10% of the issued share capital of the Company excluding treasury shares and subsidiary holdings) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

LETTER TO SHAREHOLDERS

2.9.2 Based on Maximum Price Paid for Shares Acquired or Purchased

- (i) In the case of a Market Purchase by the Company and assuming that the Company purchases or acquires the 4,869,090 Shares at the Maximum Price of S\$0.237 per Share (being the price equivalent to 5% above the average of the closing market prices of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 4,869,090 Shares is S\$1,153,974.33 (excluding brokerage, commission, applicable goods and services tax and other related expenses).
- (ii) In the case of an Off-Market Purchase by the Company and assuming that the Company purchases or acquires the 4,869,090 Shares at the Maximum Price of S\$0.249 per Share (being the price equivalent to 10% above the average of the closing market prices of the Shares for the five (5) consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 4,869,090 Shares is S\$1,212,403.41 (excluding brokerage, commission, applicable goods and services tax and other related expenses).

2.9.3 Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out above as well as the following:

- (i) the Share Purchase Mandate had been effective on 1 January 2019; and
- (ii) such Share purchases are funded solely by the internal resources within the Group and/or borrowings,

the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited consolidated financial statements of the Group for FY2019 are presented below:

(RMB'000)	Market Purchase		Off-Market Purchase

Current ratio ⁽⁴⁾ (times)	3.56	3.49	3.56	3.49
Basic EPS (cents)	23.83	26.48	23.83	26.48

Notes:

1. NTA is computed based on net asset value less intangible assets.
2. NTA per Share is computed based on total issued Shares (excluding treasury shares).
3. Gearing ratio equals to total borrowings divided by Shareholders' funds.
4. Current ratio equals to current assets divided by current liabilities.

Shareholders should note that the financial effects, based on the respective aforementioned assumptions, are only for illustrative purposes. In particular, it is important to note that it is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions that may be made pursuant to the Share Purchase Mandate on the NTA per Share and earnings/(loss) per Share, as the resultant effect would depend on the factors such as the aggregate number of Shares purchased, the purchase price paid at the relevant time, and the amount (if any) borrowed by the Company to fund the purchases or acquisitions. The above analysis is based on historical numbers as at 31 December 2019, and is not necessarily representative of future financial performance.

It should also be noted that purchases or acquisitions of Shares by the Company pursuant to the Share Purchase Mandate would only be made in circumstances where it is considered to be in the best interest of the Company, and the purchases or acquisitions of Shares may not be carried out to the Maximum Limit. Further, the Directors would emphasise that they do not propose to carry out Share Purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Company or the Group, or results in the Company being delisted from the SGX-ST.

2.10 Listing Rules

2.10.1 Listing Status of the Shares

The Listing Manual requires a listed company to ensure that at least 10% of the total number of issued shares (excluding treasury shares, preference shares and convertible equity securities) in a class that is listed, is at all times held by the public. As at the Latest Practicable Date, approximately 14,984,500 Shares are held by public Shareholders, representing 30.77% of the total Shares.

LETTER TO SHAREHOLDERS

The Company is of the view that there is a sufficient number of Shares in issue held by public shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the Maximum Limit under the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, causing market illiquidity or affecting orderly trading.

2.10.2 Reporting Requirements

The Listing Manual also specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase of any of its shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8.3.1 to the Listing Manual) shall include, *inter alia*, details of the total number of shares authorised for purchase, the date of purchase, the total number of shares purchased, the purchase price per share or (in the case of Market Purchases) the purchase price per share or the highest price and lowest price per share, the total consideration paid for the shares and the number of issued shares excluding treasury shares after purchase, in the form prescribed under the Listing Manual.

Within 30 days of a purchase of Shares on the SGX-ST or otherwise, the Company shall lodge with ACRA the notice of the purchase in the prescribed form, such notification including, *inter alia*, details of the purchase, the total number of Shares purchased by the Company, the total number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued ordinary share capital before the purchase and after the purchase, the amount of consideration paid by the Company for the purchase, and whether the Shares were purchased out of the profits or the capital of the Company.

2.10.3 No Purchases during Price Sensitive Developments

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after any matter or development of a price-sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price-sensitive information has been publicly announced.

Further, in conformity with the best practices on dealing with securities under the Listing Manual, the Company will not purchase or acquire any Shares during the period commencing one (1) month immediately preceding the announcement of the Company's half year and full-year financial results.

LETTER TO SHAREHOLDERS

2.11 Take-over Code Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

2.11.1 Obligation to Make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Takeover Code.

2.11.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);
 - (v) the associated companies of any of (i), (ii), (iii) or (iv);
 - (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and

The circumstances under which Shareholders (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 as a result of a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

LETTER TO SHAREHOLDERS

2.11.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares:–

- (i) the percentage of voting rights held by such Directors and their concert parties in the Company would increase to 30% or more; or
- (ii) if the Directors and their concert parties hold between 30% and 50% of the Company's voting rights and their voting rights increase by more than 1% in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the proposed Share Purchase.

The interests of the Directors and Substantial Shareholders of the Company in the Shares are disclosed in paragraph 3 below.

As at the Latest Practicable Date, assuming (a) the Company purchases the maximum amount of 10% of the issued ordinary share capital of the Company (excluding treasury shares and subsidiary holdings), and (b) there is no change in the number of Shares held or deemed to be held by the Directors and Substantial Shareholders prior to and after the exercise of the Share Purchase Mandate, none of the Directors and Substantial Shareholders would become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code in the event the Company purchases the maximum limit of 10% of its issued ordinary share capital (excluding treasury shares and subsidiary holdings).

Shareholders who are in doubt as to their obligations, if any, to make a mandatory takeover offer under the Take-over Code as a result of any Share Purchase by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.

2.12 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the purchase or acquisition of Shares by the Company, including those who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.
